

With increasing competition and the economy getting tougher every day, you, as an exhibit manager, need fresh and practical solutions to generate high performance returns from your exhibit and event marketing programs.

The VectorpaK and MinipaK could be your solutions. With interchangeable graphics, our two systems work together to provide your company the right corporate look whether attending a regional show with the MinipaK or a national event with the VectorpaK.

Both of our systems allow flexibility and simplicity of set-up, require no tools and only 5 minutes of your time to set up or dismantle your system.

MinipaK Base Price \$3600.00
6 Panel System with Lighting and two back lighted headers printed with Company Logo

Includes shipping case 10"x20"x49" with wheels, ships FedEx or UPS
